

**Adult Foster Care  
Program Plan**  
*Pursuant to MN Rules, part 9555.6235*

AFC Provider	
Address	
Date plan Developed	

The operator must develop and implement a Commissioner approved written plan that allows residents to share in the privileges and responsibilities of the AFC home.

Describe the type of functionally impaired Adults served in the AFC home	
<b>TYPE OF SERVICE</b>	<b>WHAT IS REQUIRED</b>
1. Lodging	<ul style="list-style-type: none"> <li>• Residents must mutually consent, in writing, to share a bedroom with another resident. No more than two residents may share one bedroom. Resident bedrooms must have at least 80 feet of floor space for single occupancy and 120 feet of floor space for double occupancy. All bedrooms ceilings must be a minimum of 7 ½ feet from the floor.</li> <li>• Each Resident must be provided with a separate, adult-sized single bed (or larger) with a clean mattress in good repair; clean bedding that is seasonally appropriate; a dresser and closet to store clothing and personal possessions; a mirror.</li> <li>• Each resident must have use of and free access to the living room.</li> <li>• Each resident must have a furnished dining area for group eating that is simultaneously accessible to residents and household members.</li> </ul>
Describe how the AFC home will provide lodging services:	
2. Food	<ul style="list-style-type: none"> <li>• Food served must meet any special dietary needs of a resident as prescribed by the resident's physician or dietician and written in the resident's individual resident placement agreement and/or individual service plan.</li> <li>• Three nutritionally balanced meals a day must be served or made available to residents.</li> <li>• Nutritious snacks must be available between meals.</li> <li>• Food must be obtained, handled and properly stored to prevent contamination, spoilage or a threat to the health of a resident.</li> </ul>

Describe how the AFC home will provide food:

<p>3. Protection</p>	<ul style="list-style-type: none"> <li>• All caregivers have received training in the Vulnerable Adults Act and reporting requirements within 72 hours of first providing direct contact services and annually thereafter.</li> <li>• Caregivers have reviewed both the PAPP and each resident's IAPP.</li> <li>• The PAPP is posted in a prominent location and available to mandated reporters, residents and their guardians upon request.</li> <li>• Each resident has received orientation to maltreatment reporting procedures, including the telephone number for the common entry point. This orientation was provided within 24 hours of admission or within 72 hours for those residents who benefit from a later orientation.</li> </ul>
----------------------	---

Describe how the AFC home will provide protection services:

<p>4. Personal Care</p>	<p>Residents will each receive assistance with or be taught how to complete daily living skills such as eating, grooming, bathing and laundering clothes.</p>
-------------------------	---

Describe how the AFC home will provide personal care services:

<p>5. Household Services</p>	<p>The license holder (LH) will provide activities for a resident, and/or teach the resident activities such as cooking, cleaning, budgeting and other household care/maintenance tasks. Each resident's role and responsibility in assisting with household care or maintenance tasks is documented in the resident's placement agreement or individual service plan.</p>
------------------------------	--

Describe how the AFC will provide household services:

<p>6. Community, recreation, religious and other activities</p>	<p>Opportunities will be made available for each resident to participate in community, recreational, religious and other activities of the resident's choosing as available, needed and desired.</p>
<p>Describe how the AFC home will provide community, recreational, religious and other activities:</p>	
<p>7. Contact with family &amp; friends</p>	<p>Opportunities will be made available for each resident to participate in activities and have contact with family and friends of the resident's choosing as available, needed, and desired. The LH will ensure that the resident's right to associate is respected.</p>
<p>Describe how the AFC home will encourage and support a resident's contact with family and friends:</p>	
<p>8. Assistance safeguarding cash resources</p>	<p>The LH will provide each resident with assistance safeguarding cash resources as specified in the resident's individual service plan and/or placement agreement. If a resident entrusts cash resources to the LH, the following procedure must be followed:</p> <ul style="list-style-type: none"> <li>• The resident and his/her legal rep. must be given a receipt by the LH. Receipts must be signed by the resident or the resident's legal rep.</li> <li>• The LH must not be entrusted with cash resources in excess of \$300 plus resources sufficient to meet one month's cost of care.</li> <li>• The resident or resident's legal rep. must have access to the written records involving the resident's funds.</li> <li>• The LH must provide the resident or resident's legal rep. with a written quarterly accounting of financial transactions made on behalf of the resident.</li> <li>• Upon death or transfer of any resident or resident's legal rep., or given to the executor or administrator of the estate in exchange for an itemized receipt.</li> </ul> <p>Assistance safeguarding cash resources includes: banking, reporting the resident's earnings to appropriate agencies, keeping records of financial information including checks issued and received.</p>
<p>Describe how the AFC home will provide assistance safeguarding cash resources:</p>	

9. Supervision	The LH will provide oversight to each resident as specified in the resident's individual service plan and/or placement agreement. Supervision mean oversight by a caregiver as specified in the resident's plans and includes a daily awareness of the resident's needs and activities. Supervision also means the presence of a caregiver during normal sleeping hours.
Describe how the AFC home will provide supervision:	
10. Transportation	The LH will provide transportation as agreed upon the resident, provider and agency representative in the resident's individual service plan and/or placement agreement.
Describe how the AFC home will provide transportation services:	
11. Community, social or health services	If Identified, the LH will provide assistance with the provision of other community, social or health services as identified in the resident's individual service plan.
Describe how the AFC home will provide additional community, social or health services:	
12. Medication assistance	The LH will provide each resident with medication assistance as specified in the individual service plan or placement agreement. The LH will adhere to the requirements in MN Rules, part 9555.6225, subp. 8 (for AFC only LH's) or 245B.05, subd. 5 (for AFC/245B-WS LH's)
Describe how the AFC home will provide medication assistance services:	
13. Program Abuse Prevention Plan	The LH must have a program abuse prevention plan posted in a prominent place. The plan must be available to residents, caregivers, resident's legal representatives and licensing agency representatives.
Describe where the AFC home will post the Program Abuse Prevention Plan:
