

Complaint/Grievance Procedure

Persons served by _____ may express complaints and grievances about this Licensed Provider. The steps in the grievance process are as follows:

1. Talk to the license holder and attempt to resolve your complaint or grievance on an informal basis.
2. Submit a written complaint/grievance to the license holder. The complaint/grievance should be written on a clean sheet of paper and include:
 - a. The date written.
 - b. Your name.
 - c. A complete explanation of your complaint/grievance with as many details as possible.
 - d. A description of the actions you would like the licensed provider to take to resolve your complaint/grievance.

License holders will respond in writing to written complaints/grievances as soon as possible, but not later than five days after receiving the complaint or grievance, unless extenuating circumstances make a response during that time impossible.

3. Submit a written complaint/grievance to the licensing agency:
