Hello Kristin.

Haiti Medical Mission of WI would be happy to take the medications.  
Our clinic in Haiti is starting a TB treatment program soon and the  
meds would be most helpful.

If it is convenient, please ship them to me:

Susan Vrabec, RPh  
Haiti Medical Mission of WI  
522 Oak St  
Baraboo, WI 53913

Thank you for thinking of us. Visit our website for updates on our  
July and November trips. [www.haitimedicalmission.com](http://www.haitimedicalmission.com)

Susan

**\*\*FYI: Before sending meds to Susan,  
remove or cover-up client and pharmacy info.**
